

ForestNavigator Research Marketplace

Exploring key project results

TUESDAY OCTOBER 13, 2026

TIME	ITEM
12:45-13:00	Arrival at NHOW and Registration
13:00-13:45	Welcome, overview of the ForestNavigator project output, and today's aims <i>Fulvio Di Fulvio, IIASA</i>
13:45-14:30	Marketplace: Meet ForestNavigator partners and discuss their work - Europe's forests today: Harmonized geodatabase representing the near past and current state of the EU forests harmonized datasets (Martin Herold, <i>GFZ</i>) - The EuFor database: Consolidating national forest statistics into a consistent subnational European database (Florian Weidinger, <i>BOKU</i>) - EU forests biophysical mitigation potential under current management and adaptations (Manfred Lexer, <i>BOKU</i>) - Forest bioeconomy (Elias Hurmekoski, <i>UHE</i>) - Valuing forest recreational and cultural services (Melania Michetti, <i>ENEA</i>) - Integrating biodiversity into the EU forest policy pathways (Andrey Lessa, <i>IIASA</i>, Tord Snäll, <i>Skogforsk</i>) - ForestNavigator Portal: Data Explorer (Kanwal Nayan Singh (<i>CA</i>))
14:30-15:00	Tea & Coffee Break
15:00-15:45	Demonstration of a Toolbox for a near real-time update of policy pathways under changing conditions - EU-level – Andre Nakhavali, <i>IIASA</i> - Ireland – Kevin Black, <i>FERS</i> - Italy – Roberto Pilli, <i>RP</i> - The Czech Republic – Emil Cienciala, <i>IFER</i>
15:45-16:15	ForestNavigator Exploratory Pathways Results Climate change impacts and management adaptation in the EU forest-based bioeconomy – Andrey Lessa and Hao Xu, <i>IIASA</i>
16:15-17:00	Marketplace session 2 - Delving into the Methods underlying the Research Toolbox - Andrey Lessa and Hao Xu, <i>IIASA</i> - ForestNavigator Portal: Pathways Explorer – Kanwal Nayan Singh, <i>CA</i>
17:00-17:30	Closing

Final Conference

Navigating the Future of the EU Forest Sector

WEDNESDAY OCTOBER 14, 2026

TIME	ITEM
8:30-9:00	Arrival at NHOW and Registration
9:00-9:15	Welcome and aims <i>Petr Havlík, IIASA</i>
9:15-10:00	Keynote speech TBC
10:00-11:00	Forest Policy Pathways aligned to medium-term EU and national policy ambitions Results on resilient EU and national pathways able to reconcile climate mitigation, biodiversity conservation and bioeconomy objectives <i>Julia Bognar, IEEP, and Fulvio Di Fulvio, IIASA</i>
11:00-11:30	Tea & Coffee Break
11:30-12:15	ForestNavigator Pathways panel discussion Discuss pathway modelling results with European and national-level policy and decision makers, business/industry stakeholders, and representatives of civil society <i>Moderator: Julia Bognar, IEEP</i>
12:15-12:45	ForestNavigator Portal - Overview of Data Explorer and Pathway Explorer - Data Explorer examples - Pathways Explorer <i>Kanwal Nayan Singh, CA</i>
12:45-13:00	Closing - What is next – output - Upcoming webinars <i>Fulvio Di Fulvio and Petr Havlík, IIASA</i>
13:00-14:00	Lunch
