

ForestNavigator Marketplace

Exploring key project results

TUESDAY OCTOBER 13, 2026	
TIME	ITEM
12:45 – 13:00	Arrival at NHOW and Registration
13:00 – 13:45	Welcome, overview of the ForestNavigator project output, and today's aims Fulvio Di Fulvio, <i>IIASA</i>
13:45 – 14:30	Marketplace: Meet ForestNavigator partners and discuss their work - Europe's forests today: Harmonized geodatabase representing the near past and current state of the EU forests harmonized datasets (Martin Herold, <i>GFZ</i>) - The EuFor database: Consolidating national forest statistics into a consistent subnational European database (Florian Weidinger, <i>BOKU</i>) - EU forests biophysical mitigation potential under current management and adaptations (Manfred Lexer, <i>BOKU</i>) - Market outlook and demand-side mitigation potentials (Elias Hurmekoski, <i>UHE</i>) - Economic evaluation of forest ecosystem services: understanding cultural values (Melania Michetti, <i>ENEA</i>) - Integrating biodiversity into the EU forest policy pathways (Andrey Lessa, <i>IIASA</i>, Tord Snäll, <i>Skogforsk</i>) - ForestNavigator Portal: Data Explorer – Kanwal Nayan Singh (<i>CA</i>)
14:30 – 15:00	Tea & Coffee Break
15:00 – 15:45	Toolbox Demonstration - Near real-time update of EU-level policy pathways under changing conditions - Andre Nakhavali, <i>IIASA</i> - Applications in Ireland (Kevin Black, <i>FERS</i>), Italy (Roberto Pilli, <i>RP</i>), and the Czech Republic (Emil Cienciala, <i>IFER</i>)
15:45 – 16:15	ForestNavigator Exploratory Pathways Results Climate change impacts and management adaptation in the EU forest-based bioeconomy – Andrey Lessa and Hao Xu, <i>IIASA</i>
16:15 – 17:00	Marketplace session 2 - Delving into the Methods underlying the Research Toolbox - Andrey Lessa and Hao Xu, <i>IIASA</i> - ForestNavigator Portal: Pathways Explorer – Kanwal Nayan Singh, <i>CA</i> - Delving into the ForestNavigator Emulator – Andre Nakhavali, <i>IIASA</i> - And a continuation of the topics from Marketplace session 1
17:00 – 17:30	Closing

Final Conference

Navigating the Future of the EU Forest Sector

WEDNESDAY OCTOBER 14, 2026	
TIME	ITEM
8:30 – 9:00	Arrival at NHOW and Registration
9:00 – 9:15	Welcome and aims Petr Havlík, <i>IIASA</i>
9:15 – 10:00	Keynote speech EU policies framing the context of forest sector pathways towards EU climate neutrality Frida Sund Falkevik, <i>DG CLIMA</i>
10:00 – 11:00	Forest Policy Pathways aligned to medium-term EU and national policy ambitions Results on resilient EU and national pathways able to reconcile climate mitigation, biodiversity conservation and bioeconomy objectives Julia Bognar, <i>IEEP</i> , Fulvio Di Fulvio, <i>IIASA</i> , Kevin Black, <i>FERS</i> , Roberto Pilli, <i>RP</i> , and Emil Cienciala, <i>IFER</i>
11:00 – 11:30	Tea & Coffee Break
11:30 – 12:15	ForestNavigator Pathways panel discussion Discuss pathway modelling results with Amila Meskin, <i>EUSTAFOR</i>, Giacomo Grassi, <i>JRC</i>, Siim Kuresoo, <i>FERN</i>, Simon Martel, <i>I4CE</i> Moderator: Julia Bognar, <i>IEEP</i>
12:15 – 12:45	ForestNavigator Portal - Overview of Data Explorer and Pathway Explorer - Data Explorer examples - Pathways Explorer Kanwal Nayan Singh, <i>CA</i>
12:45 – 13:00	Closing - What is next – output - Upcoming webinars Fulvio Di Fulvio and Petr Havlík, <i>IIASA</i>
13:00 – 14:00	Lunch
